

Doctor Supervised Weight Loss System

Chiro Thin is a diet drop supplement and very low calorie weight loss diet plan that may help you lose between 23lbs – 40lbs over the 6-week program. However, you cannot buy the drops yourself . Instead, you use Chiro Thin solely under the guidance of your chiropractor.

What is ChiroThin and how does it work?

The newest ChiroThin formula by ChiroNutraceutical is new and improved from the original HCG formula and is a natural dietary supplement. It contains a host of nutritional ingredients that are well known to aid in fatty acid transportation, fatty acid metabolism, blood sugar stabilization, increase in metabolism and detoxification. When combined with a healthy and specific amounts and blends of low glycemic index, anti-inflammatory foods, your body will be more efficient at converting stored fat into energy. In general, ChiroThin allows the body to more efficiently metabolize fat and use it as energy when an individual consumes less calories than they burn in a given period of time. ChiroNutraceutical has specifically designed the ChiroThin formula to include specific amounts of amino acids, vitamins and cell salts for additional added benefit. ChiroThin drops are placed under the tongue three times each day.
